

CROWN BOILER TOBAGO

OIL-FIRED HOT WATER BOILER

Designed for reliability, high efficiency, and performance for residences with chimneys.

- ♦ ENERGY STAR® rated with efficiencies up to 86.1%*
- ♦ Rugged wet base, cast iron heat exchanger
- ♦ Cast iron swing-open burner door for easy service
- ♦ Optional front-mounted tankless coil for domestic hot water supply
- ♦ Available in "Shorty" pac version with burner and controls packaged separately for easy delivery.
- ♦ Choice of three oil burners: Beckett, Riello, Carlin
- ♦ Limited lifetime warranty

Domestic Hot Water Option

The Tobago's optional tankless coil feature eliminates the need for a separate water heater. It is therefore ideal for installation in small spaces.

*ENERGY STAR for certain firing rates. See back for details.
See back side for piping configurations

TWZ SERIES - TOBAGO

ENERGY STAR® rated product

1. Altitudes above 2,000 ft. - ratings should be reduced at a rate of 4% for each 1,000 ft. above sea level (US only)
2. The Net Water Ratings are based on a piping and pickup allowance of 1.15.
3. Maximum Working Pressure, Water - 50 PSI
4. Tankless Heater Ratings based on I=W=H test standard
5. The manufacturer should be consulted before selecting a boiler for installations having unusual piping and pickup requirements, such as intermittent system operation, extensive piping systems, etc.

All residential cast iron boiler models include a full one year warranty. A limited, lifetime warranty is provided for the heat exchanger. A 5-year and a 10-year extended warranty covering parts and labor are also available. Visit CrownBoiler.com or see your warranty for complete details.

The Mega-Stor® indirect water heater utilizes the energy created by your boiler to produce abundant hot water for your home. Mega-Stor water heaters come in a variety of sizes from 26 to 119 gallons to meet a variety of residential and commercial needs. A Horizontal model is also available in 40 and 53 gallon sizes, as well as a Solar model in 79 and 119 gallon sizes.

Specifications are subject to change without notice.

ADDITIONAL FEATURES/BENEFITS

- Three physical sizes with nine firing rates
- Factory tested Honeywell control system
- Attractive split jacket easily removed for servicing
- Burner equipped with twist disconnect plug
