DRAINAGE HOLE

**OUR
DYNAMIC
DUO!**

C.E.F., the perfect product to keep your electrostatic air filters clean, efficient and effective. An electrostatic filter is most effective when clean and free of films that can be left by soap, cooking, tobacco smoke or household spray products. C.E.F. perfectly pairs with not only our electrostatic filters, but our Kool-Wrap filter as well. It works to remove tough stains and leaves your filters as good as new.

U.O.K. is formulated to deal with problem odors. If evaporated, the total effect lends a fresh fragrance to stale air and kills lingering odors. This product pairs well with C.E.F. to spray on electrostatic filters after cleaned.

- LIMITED LIFETIME WARRANTY
- PROTECTS AGAINST CONTAMINANTS
- PROLONGS LIFE OF UNIT
- SAVES MONEY ON ENERGY BILLS
- UNIVERSAL SIZE TO FIT MOST UNITS
- LOW RESISTANCE TO AIR FLOW
- QUICK AND EASY TO INSTALL AND CLEAN
- UV PROTECTED ELECTROSTATIC MATERIAL

A DIRTY A/C UNIT REDUCES AIR FLOW, IMPAIRS HEAT EXCHANGE AND CAUSES THE COMPRESSOR TO NEEDLESSLY RUN. THIS COSTS THE HOMEOWNER MONEY DUE TO HIGHER OPERATING COSTS AND SHORTER EQUIPMENT LIFE.

KOOL-WRAP COMES WITH
THREE MAGNETS TO SECURE
IT TO YOUR
AIR CONDITIONING UNIT.

UVC MAX 25 WHOLE HOUSE PURIFYING SYSTEM

THIS HIGH EFFICIENCY, EASY TO INSTALL PURIFIER USES A PROPRIETARY UVC (GERMICIDAL, 253 NANOMETER), A POWERFUL LAMP, 25 WATTS TO DESTROY CHEMICAL AND BIOLOGICAL CONTAMINANTS INCLUDING CHEMICAL ODORS.

IT IS SAFE AND EFFECTIVE IN HELPING TO ELIMINATE AIRBORNE ALLERGENS, BACTERIA, VIRUSES, MOLD, FUNGI, AND MORE. IT REDUCES ODORS BY TREATING THE AIR SYSTEM 24/7.

The UVC MAX 25 helps keep AC coils clean and can help improve indoor air quality throughout the home.

DRYER VENT KIT

DRILL NOT INCLUDED

DRILL HOLDER

**DRYER VENT CABLE
AND BRUSH**

FOOT PEDAL

A 20 or 35 foot x 5/16 inch drill powered cable that attaches to any standard 3/8 inch drill.

At the other end of the cable is a 4 inch dryer vent cleaning brush that allows you to use the drill to turn the brush and reach deep into dryer vents to clean and remove lint and other debris. Use with negative air vacuum.

NEST CLAW

AVAILABLE IN 20 FT. AND 35 FT.

***DON'T WASTE YOUR MONEY ON A NEW RETURN GRILLE.
WHEN YOUR RETURN GRILLE LATCH BREAKS, REPLACE IT WITH A/C LATCH!***

The magnetic knobs are easy to install and are a long lasting solution that are both functional and attractive. Once installed, no more tools are needed to replace or wash filters, and in fact, make the job of doing so simple and easy.

SMOKE ODOR KILL

Saturating smoke damaged surfaces and charred materials with Smoke Odor Kill solution detoxifies the fire-damaged environment by inhibiting the evaporation of the fire-related gases. Available in 1 gallon.

DYNAMITE

Heavy-duty super strength concentrate cleaner, specifically designed for cleaning vents, registers and air ducts. Available in 32oz. and 1 gallon. Ready to use.

ULTRA ODOR KILL CONCENTRATE

This product is a high performance material, especially formulated to deal with problem odors by leaving a light, fresh scent. Available in 32oz. and 1 gallon.

SOOT SET

A non-toxic and non-flammable formulation developed as an air duct adhesive based on the shrink properties of a unique water-soluble polymer. Available in 1 gallon. Use after proper cleaning of A/C system.

COIL BRITE II

A high-concentrate, non-acid cleaner for aluminum coils and fins in heating and air conditioning systems. A light spray of this product on the coils or fins will give them a thorough cleaning. For heavily soiled coils, more than one application may be required, with rinsing in between applications. Available in 32oz. and 1 gallon. Ready to use.

ENVIROCON

Bacteriostat, Fungistat and Deodorizer. This product is EPA-registered for use in HVAC systems. EnviroCON is highly effective in eliminating odor-causing microorganisms as well as those associated with mold, mildew and bacterial growth. Available in 1 gallon.

C.E.F.

The perfect product to keep Air-Care electrostatic air filters clean, efficient and effective and protects your warranty. An electrostatic filter is most effective when clean and free of films that can be left by soap, cooking, tobacco smoke or household spray products. C.E.F. also pairs perfectly with our Kool-Wrap filter. C.E.F. is ready to use.

U.O.K.

Ultra Odor Kill spray is a high performance concentrate spray, specially formulated to deal with problem odors. UOK should be sprayed onto Air-Care electrostatic air filters after cleaning. Once evaporated, the total effect lends a fresh fragrance to stale air and kills lingering odors by leaving a light, fresh scent.

EVERYTHING!

EVERYTHING! is the perfect multi-purpose cleaner. Simply spray on dirty surfaces and allow to dwell (but not dry). A brisk wipe will leave the surface clean and streak-free. EVERYTHING!, as its name suggests, cleans everything from counter tops to engine blocks! EVERYTHING! is ready to use and comes in a 32oz. bottle.

COIL BRITE II

A non-acid cleaner for aluminum coils and fins in heating and air conditioning systems. A light spray of this product on the coils or fins will give them a thorough cleaning. For heavily soiled coils, more than one application may be required, with rinsing in between applications. Available in 32oz. and 1 gallon.

ULTRA ODOR KILL SOLID

A scientific breakthrough in clean air methodology with a fresh scent. Ultra Odor Kill solid acts like a synthetic charcoal by sponging up unwanted air contaminants. Its magnetic sponge attracts and deactivates the harmful pollutants in the air and becomes a whole house air freshener.

ROXY ODOR NEUTRALIZER

Roxy Odor Neutralizer; Nature's Best Kept Secret! This product is nature's very own odor killing machine. Roxy Odor Neutralizer is a natural aluminosilicate zeolite earth mineral that absorbs odors. It can be used to freshen the air in refrigerators, closets, locker rooms, bathrooms, basements, shoes, homes, cars, RVs, boats and more.

10 times more efficient than the standard disposable filter.

Electrostatic Air Filters 94% Arrestance!

Air-Care Electrostatic Air Filters are made from a single piece of roll formed galvanized steel. Permanent and washable, this filter reduces landfill pollution. Easy to clean using C.E.F. Electrostatic Filter Cleaner and to deodorize using UOK Electrostatic Filter deodorizer. NEVER BUY ANOTHER FILTER!
