LEAK & FLOOD PROTECTION

IS SENTREE RIGHT FOR ME?

Take The Quiz!

- I don't want my **kids and/or pets** in a hot house 
- I want to **save up to 30%** on my electric bill and help the environment
- I want my contractor to know about issues, to respond quickly, **reduce costly repairs** and **extend the life of my system**
- I want **peace of mind** knowing my air conditioner is working, even when I'm not home 
- I'd like to **protect my home** from water damage and **save up to 10% on my insurance**

5 Points

You Need Sentree!

Your home and family are important. Sentree can reduce energy use up to 30% and keep you comfy - while helping the environment.

1-4 Points

You Need Sentree!

You don't want unexpected repair costs or water damage. Sentree gives you confidence to focus on fun with friends and family.

PROTECT & MAINTAIN

Sentree is always monitoring your A/C, so you can be confident that your contractor keeps it running efficiently. Avoid inconvenient and costly repairs. Keep cool with Sentree.

LEAK & FLOOD PROTECTION, TOO

Sentree protects against water damage with the help of Floodie. Floodie is a multi-purpose sensor that sends alerts to your phone within seconds of detecting water leaks and temperature changes in your home. You can also save up to 10% on your home insurance for having leak & flood protection.
