

16 SEER HEAP PUMPS

Ameristar™
HEATING & COOLING

The Ameristar line of heating and cooling products offer you flexible and affordable options for HVAC equipment replacement. The Ameristar product line should provide an opportunity to capture volume and market share with today's budget-conscious consumers that are looking for more efficient heating and cooling systems.

- Ameristar units are available in 16 SEER (R-410A) models
- 1.5 - 5 ton models available.
- Painted, galvanized steel cabinets resist rust and stand up to weather.
- The compact design and small footprint are ideal for homeowners with limited yard space
- Units operate quietly, with a maximum sound level of 76 db.
- 24V low-voltage control provides added safety.
