

HVAC Standard Warranty

ChamFlex® Hose Assemblies manufactured by Chamberlin Rubber Company, Inc. (Chamberlin) are warranted to be free from defects for a period of 5 years from date of invoice. Chamberlin's liability hereunder is limited to the purchase price of merchandise which has failed through defect. At Chamberlin's option, Chamberlin may issue a credit for said purchase price or replace the defective merchandise. Purchaser shall assume responsibility and expense for removal, reinstallation, and freight in connection with said defective products.

Chamberlin also sells certain products whereby Chamberlin is the final assembler. As such, the warranty for these products is further limited by the source manufacturer of said products. These warranties vary in duration. The following is a representation of said warranties:

Valves – 18 months to 2 years from date of invoice.

All metal hoses – 90 days from date of invoice.

Condensate hoses – 60 days from date of invoice.

This warranty is limited to the replacement or credit for Chamberlin products which, after examination by Chamberlin, are in fact deemed to be defective. Chamberlin shall have no obligation as to any product that has been improperly installed, handled or stored, has not been maintained properly or is not used in suitable applications.
