## QwikTreat™ Mold Test Kit

Mold... a Serious Problem!  
We have an Inexpensive,  
Simple Solution...

The EPA has made the claim, "You should be aware that although a substance may look like mold, a positive determination of whether it is mold or not can be made only by an expert and may require laboratory analysis for final confirmation."

Our mold test kit uses convenient sample tape and incorporates the internet to deliver test results back to the Service Technician as quickly as possible.

### 3 Easy Steps...

- 1 Sample,
- 2 Test,
- 3 Identify.

Collect  
up to  
5 Samples  
with  
This Kit!  
Instructions Enclosed

### Directions:

1. Collect mold samples with simple to use sample tape.
2. Send the samples postage-paid to Mainstream's Lab for professional analysis.
3. Obtain your customized Laboratory Test Report from the internet.
4. Deliver Laboratory Test Report and follow-up treatment to the building owner.
