System Service Transition

COIL AND FURNACE MAINTENANCE
 MADE QUICKER AND EASIER

U.S. Pat. No 9,267,702

- Pre-assembled – a perfect fit for most coil furnace matchups
- Compliments all system brands & models
- Used in closet, up-flow, horizontal, attic & basement applications
- Quick & easy to install
- Available in R6 & R8 ductboard insulation
- Closet version (CL) door on front for AA, AB, AC, BB, BC & CC models
- Eliminates block-offs for maximum efficiency
- Easier maintenance – protects system integrity & customer investment
- Test for and locate coil leaks in minutes
- No need to cut or remove panels or into coil box
- User-friendly access door gasketed and insulated
- Drain pan accessory available
- Great upsell to clients that increases revenue for you
