AFFORDABLE
QUIET COMFORT

Designed to custom-fit your needs, the Rheem RH1P Air Handler provides you with quiet operation and humidity control while also delivering energy savings. Now you can rest easy.

RH1P Series

Reduce Energy Bills
Reducing monthly energy bills is easier than ever with the Rheem RH1P Air Handler. The unit is designed to exceed minimum efficiency standards – delivering savings every time it is in use.

Benefit-Packed Operation
Rheem RH1P Series Air Handlers are convertible for various system requirements. Their compact design and sound control elements help ensure that they operate both unobtrusively and efficiently.

Guaranteed Reliability
Built with pride, our quality construction delivers quiet operation and long-lasting, reliable performance, all backed by a 10-year conditional parts warranty.
Why Rheem?
Enjoy cool summer days and warm winter nights with a reliable Rheem Air Handler. Rheem offers products that fit every budget, so your family can enjoy reliable home comfort for years to come. We focus on bringing homeowners ‘The New Degree of Comfort’ through the development of energy-efficient heating and cooling solutions designed to save money and go easier on the environment. With a Rheem RH1P Air Handler, you’ll enjoy a perfect balance of quality, efficiency and value.

Enjoy the Benefits of Guaranteed Comfort
At Rheem, we understand the needs of everyday living, which is why the Rheem RH1P Air Handler was designed to guarantee homeowners like you highly efficient performance with improved energy savings and greater comfort.

Flexible Performance The Rheem RH1P Series Air Handler is designed to meet the needs of a variety of systems. Your contractor will recommend a unit that will best meet your home’s airflow needs.

Humidity Control The air handler manages humidity levels in the home, improving your comfort and helping you save money on energy bills.

Efficient Heating & Cooling Rheem Air Handlers are designed for performance, exceeding standard efficiency requirements. And, they use the most common refrigerant on the market today. The factory-installed aluminum indoor cooling coil is the key component for your air handler. The coil is essential to humidity control and improved system performance, and the high-quality standards used in manufacturing result in fewer maintenance calls.

Enjoy Long-Lasting Quality and Comfort
Quiet Operation Rheem RH1P Air Handlers are designed with a sturdy steel cabinet, one inch of foil-faced insulation, and excellent thermal and sound insulation.

Versatile Design The 4-way convertible design of Rheem Air Handlers allows them to fit in with the design of your home. They feature the most compact design available, occupying a minimal amount of space in your closet, attic or basement.

Optional Electric Heat When a heat pump is paired with the unit, Rheem Air Handlers can also provide efficient heating for your home. An optional electric heater kit can be added to keep you cozy all winter long.

Easy Service Rheem Air Handlers have been engineered to provide your technician easy access to all internal components, helping any service time stay short and simple.

Rheem Quality The RH1P Air Handler has an all-aluminum evaporator coil which assures maximum performance and years of trouble free operation.
