It's Rheem.®

Prestige

SERIES™

13 SEER

equipped with the
Comfort Control System™

Model RPNL-JEZ

13 SEER
R-410A

- Features on-board system diagnostics
- Up to 15.00 SEER in certain matched systems
- Active compressor protection
- Broad range of cooling capacities from 23,200 to 60,500 BTU/H
- A 10-year limited compressor warranty, plus a conditional 5-year limited unit replacement warranty

This feature aids the contractor in servicing or repairing your unit, saving you time and money.

• **Fault Recall** - Even if there is a power failure, this feature will retain the system's "operation history" and will display it on the control board for quick and easy viewing during service calls.

• **Active Protection** - The feature monitors your system to prevent the compressor from operating when potentially harmful conditions are detected.

• **Increased Dependability** - The thermostat communication capability can alert you to any necessary service requirements, giving you peace of mind that your home comfort is guaranteed.

Heart & Scroll

The heart of your heat pump is the compressor. That's why every Rheem unit features a Copeland® Scroll® Compressor –widely recognized as the industry leader for performance and durability.

Humidity Control

When matched with a *Prestige Series* Air Handler, the system adjusts airflow to help control humidity for unsurpassed comfort in the cooling mode.

Durable Cabinet

Our galvanized steel cabinet protects your Rheem unit from the elements, helping reduce maintenance expense.

Low Corrosion and Sound

A special base pan elevates the unit off the pad and away from corrosive condensation. More quiet performance and lower vibration levels also result.

Fan-tastic

Our motor mount prevents damage to your fan motor, extending its service life. For quiet operation and improved efficiency.

Take a look inside...

Want to learn more about how your home's heating and cooling system operates? Take the interactive Rheem Virtual Home Comfort Tour online at RheemAC.com/VirtualTour.

Features and Benefits:

Comfort Control System™

The Comfort Control System provides:

- **On-Board Diagnostics** - The Rheem exclusive 7-Segment LED Display on the control board quickly and accurately shows your contractor the source of system malfunctions.

Limited Warranty Information

Rheem supports its equipment with strong warranties and dependable, professional service. That's why Rheem backs the *Prestige Series* 13-SEER RPNL- JEZ Heat Pump with a generous 10-year limited compressor warranty. All other parts feature a 5-year limited warranty. In addition, a 5-year conditional unit replacement warranty is provided. See the Rheem *Prestige Series* Warranty Card for complete details.

Protection You Can Count On

While your Rheem equipment is incredibly dependable and covered by an outstanding warranty, you can extend your warranty coverage with Protection Plus® extended service protection. Then you can relax and enjoy the comfort of your Rheem Heat Pump – without worrying about the cost of parts or labor for unexpected repairs. Ask your dealer about the variety of Protection Plus plans now available.

For more information, call 1-877-276-4294 or visit www.protectionplusonline.com.

KwikComfort® Financing

Ask your Rheem dealer about *KwikComfort® Financing*, the easy and convenient way to finance everything associated with your Rheem equipment – your original equipment, all subsequent service, Protection Plus® extended service protection, and even the comfort options you might choose to add later.
