#### [ ] Designates Metric Conversions

"Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR criteria. Ask your Contractor for details or visit www.energystar.gov."

#### FEATURES FOR (-)PNL- JEZ REMOTE HEAT PUMPS

- The Comfort Control System<sup>™</sup> provides on-board diagnostics and fault history for heat pumps with single-phase compressors by detecting system and electrical problems without adding sensors. It can also communicate "fault codes" to enabled "L terminal" thermostats. The integrated diagnostics with *Active Protection* prevents compressor operation when potentially harmful conditions are detected.
- Features an exclusive 7-Segment LED Display. The information-display quickly and accurately shows technicians the source of malfunctions.
- Scroll Compressor
- Copper Tube/Aluminum Fin Coils
- Powder painted louvered steel cabinet protects the coil from damage
- Internal Check Valve
- Enhanced Compressor Protection
- Manual Reset High Pressure Control
- Drawn Painted Base Pan
- Hard Start Components
- Non-Cycling Reversing Valve
- Hot Gas Muffler
- Bi-Directional Filter Drier (shipped not installed)
- Service Valves
- TEV Refrigerant Metering

- Demand Defrost Control
- · All refrigerant connections are on the exterior of the unit, located close to the ground for neat appearing installations
- Coil design permits compressor operation with the access panel removed
- Control box is fully accessible in the upper part of the cabinet
- Power and control wiring are kept separate
- Certified and rated under AHRI Standard 240
- U.L. listed
- Factory run tested prior to shipment
- Factory limited warranty as follows:

Compressor	
JEZ Models	Ten (10) Years
Any Other Part	Ten (10) Years

(-)PNL- JEZ Conditional Replacement Warranty:

A replacement model will be provided (if an exact replacement is not available, an equivalent product will be provided) to the original purchaser if the compressor fails within 5 years. See product warranty card for additional information.

FIELD INSTALLED ACCESSORIES

Low Ambient Control	Fossil Fuel Kit
Thermostats	Compressor Crankcase Heater
Blower Time Delay Control	•

#### **SPECIAL NOTES ON EQUIPMENT:**

Before proceeding with installation, refer to installation instructions packaged with each model, as well as complying with all Federal, State, Provincial, and Local codes, regulations, and practices.
