- ✓ Compact design easily gets into tight, cramped spaces
- ✓ Instant-on operation; no warm-up time required!
- ✓ 100,000-hour LED service life
- ✓ Rugged, corrosion-resistant anodized lamp body stands up to years of heavy use
- ✓ Uses standard AAA batteries (included)

The **OPTIMAX<sup>™</sup> 400** (P/N OPX-400CS) comes with a lanyard, belt holster and fluorescence-enhancing glasses, all packaged in full-color hanging clamshell. Also available in two convenient leak detection kits (see reverse side).
