New AirBear®
Whole-House
Media Air Cleaner

Air Bear® media *Permanently* traps harmful airborne particulates including:

- **Dust**
- **Allergens**
- **Mold Spores**
- **Pet Dander**

For our Appreciation, we are committed to you...

Trion® media air cleaners are so effective and dependable, we stand by them to protect your home coils for ten years. With an Air Bear Whole-house media air cleaner, you are removing particles and contaminants that are harmful to your family and your HVAC equipment, so we offer you this guarantee...

Should your new indoor air conditioning coil require professional cleaning in the next 10 years while properly using an Air Bear air cleaner, we will pay \$150 toward the cost of

having the indoor coil cleaned by a licensed contractor. This commitment applies to new HVAC equipment with a new indoor air conditioner coil (less than six months old) installed with an Air Bear Air cleaner. The Air Bear Air Cleaner must be installed by a licensed HVAC contractor. The Air Bear Air Cleaner must be properly maintained as per directions in the owner's manual including use of only Air Bear brand media replacement.

Even the cleanest homes need whole-house, high-efficiency protection from
